

THE 8TH INTERNATIONAL SYMPOSIUM ON CAGE AQUACULTURE IN ASIA (CAA8)

Green and Smart Development of Cage Aquaculture in Asia

**±\$200
for
registration**

**16 -18
JULY 2026**

**Nha Trang
Vietnam**

RESEARCH CATEGORIES

- ★ Cage and Offshore Aquaculture Systems
- ★ Breeding, Seed Production and Genetic Improvement
- ★ Nutrition, Feed, and Resource Efficiency
- ★ Environment, Climate, and Carbon Dynamics
- ★ Health Management and Biosecurity
- ★ Sustainable Welfare in Aquaculture
- ★ Socio-economics, Livelihoods, and Governance
- ★ AI and new technology
- ★ Fishery industries and Policy Maker in Vietnam (Vietnamese session)

PRESTIGIOUS RESOURCE PANEL

Prof. Dr. Liu Liping
President, Asian Fisheries Society
Shanghai Ocean University

Prof. Dr. Pham Quoc Hung
Vice Rector
Nha Trang University

Yuan Xinhua
Deputy Director, Fisheries and
Aquaculture Division, FAO

Gui Jiangfang
Vice President
China Society of Fisheries

Prof. Patrick Sorgeloos
Ghent University
Belgium

Prof. David Little
Stirling University
The UK

About CAA8

Sea Cage and offshore aquaculture are playing an increasingly important role in ensuring sustainable aquatic food production and environmental stewardship. To foster academic exchange, knowledge sharing, and collaboration in this field, the Asian Fisheries Society (AFS), in partnership with Nha Trang University (NTU), Shanghai Ocean University (SHOU), and the Ocean University of China (OUC), will convene the 8th International Symposium on Cage Aquaculture in Asia (CAA8) in Nha Trang, Vietnam, from July 16-18, 2026.

Why should attend?

- ✓ Meet our esteemed keynote speakers and experts in cage aquaculture industry.
- ✓ Expand professional network and collaboration via direct interaction.
- ✓ Opportunity for products and technologies showcase.
- ✓ Publication opportunities
